

The MBA PEO: All Your Administrative Needs Handled in ONE Place.

Did you know that 25% of a business owner's time is spent with employee-related issues and regulatory paperwork?

If you want to spend more time growing your business, the MBA PEO, administered by Abel HR can help take care of the rest. Utilizing a Professional Employer Organization (PEO) not only gives you peace of mind with your HR Administration but can also help your business grow faster, decrease turnover, and reduce employment related liability.

How It Works

The MBA PEO is administered by Abel HR, a Certified Professional Employer Organization. We enter a contractual relationship with your company that allows us to share and manage many human resource responsibilities and employer-related risks and liabilities.

You maintain control of the operation and management of your company.

Benefits to Your Business

- Save Time & Money
- Improve Profitability & Productivity
- Reduce Turnover & Attract Quality Employees
- Claims Management (Workers' Comp & Unemployment Insurance)
- Competitive Employee Benefits Package
- Deliver Professional HR Services
- Consolidate Accounting & Payroll Functions

By assuming the responsibility associated with employment and employment law compliance, the MBA PEO allows you to focus on managing their business to drive growth and take advantage of new opportunities.
